## Discovering *Self-Directed* Pathways

Find your unique **WHY?** and begin building your own **Creative Career** now!

- **Investigate creative career opportunities** and focus on non-traditional pathways toward a sustainable creative livelihood in the arts.
- **Learn design thinking**, project development, collaboration, and presentation skills.
- Earn the **Creative Careers Skills Certificate** — take the VAPA 79 Course + any other course offered in the VAPA division + BUS 88: Starting & Operating a New Small Business (arts section meets Monday evenings in spring semester).
- Enroll in VAPA 79 and apply to be part of the **Fall 2018 Gig Economy Pilot**. Receive free, personalized business advice from Cabrillo faculty and Small Business Development Center (SBDC) mentors. Develop a customized work plan and list your product or service on online gig platforms. Grow your gig venture!
- Register in one of these cross-listed courses according to your major: AH 79, AP 79, ART 79, DANCE 79, DM 79, MU 79, or TA 79.
- **Meets Mondays, 6:00–9:05pm** — Room VAPA 1001.
